

## Winter Air Pistol Match

**Equipment:** Air pistol in compliance with NRA/USA Shooting rules for such.

**Course of fire:** 60 shots plus unlimited sighters in 1:45. Sighters must be fired before the first record shot.

**Distance:** 10 meters preferred, using the B-40 target. If you don't have 10 meters available, I've attached a scaled-down 5 meter target. The ruler is metric, it should print correctly at 100% enlargement.

**Scoring:** Shots touching a scoring ring count the higher value.

**Precedence of scores:** Scores shot at a NRA or USA Shooting match take precedence over all other scores. Scores shot at home at 10 meters take precedence over scores shot at 5 meters.

**Admin:** Only one entry per shooter per month. Scores for each month must be turned in by 2359 EST on the last day of the month. Entries should include name, score, match/distance, and date. Send entries to me at [HMSLion@aol.com](mailto:HMSLion@aol.com).

**Prizes:** Bragging rights. Your name on the website.
